SUBJECT INDEX

A

Abdominoperineal resection
Gastrointestinal surgical procedures (Bryant and Boarini). 1986; 13:34-7 (Certification)
Air-fluidized therapy
Air-fluidized therapy as a cost-effective treatment for a "worst case" pressure necrosis (Barnes and Rutland). 1986; 13:27-9 (Case notes)
Alzheimer's disease
An overview of dementia (Middleton). 1986; 13:54-61
Anastomosis
Gastrointestinal surgical procedures (Bryant and Boarini). 1986; 13:34-7 (Certification)
APR
Gastrointestinal surgical procedures (Bryant and Boarini). 1986; 13:34-7 (Certification)
Assessment
An integrated approach to risk assessment (Kynes). 1986; 13:173-4 (Editorial)
Use of the Norton Pressure Sore Risk Assessment Scoring System with elderly patients in acute care (Lincoln et al). 1986; 13:132-8

B

Bladder
Classifications of urinary incontinence (Irrgang). 1986; 13:62-5 (Certification)
Medication: its role in the cause and treatment of urinary incontinence (DeRidder and Vallerand). 1986; 13:187-9
Theoretical foundations for an approach to urinary incontinence (Alterescu). 1986; 13:105-7
Book reviews
In review. 1986; 13:72-3
Budget
Effects of cost containment on research and development (Motta). 1986; 13:193-5
National health expenditures (Motta). 1986; 13:235-7
The 1987 Reagan budget and the Gramm-Rudman-Hollings Act (Motta). 1986; 13:130-1 (Editorial)

C

Cancer
Cancer of the colon: ruminations on the past and future (Finne). 1986; 13:196-204 (Certification)
Overcoming fear of cancer chemotherapy: interventions for the ET nurse (Post-White). 1986; 13:7-16
Rehabilitation philosophy: a means of fostering a positive attitude toward cancer (Watson). 1986; 13:153-6
Sexual rehabilitation of the cancer patient undergoing ostomy surgery (Grunberg). 1986; 13:148-52
Case notes
Case notes. 1986; 13:27-33, 66-7, 118-20, 163-4, 205-7, 246-8
Catheter
The development of a comprehensive instructional package for teaching intermittent self-catheterization (Barnes). 1986; 13:238-41
Management of long-term percutaneous catheters (Conwill). 1986; 13:163-4 (Case notes)
The use of flexible catheters for constructing, bridging, and pouching loop ileostomies (Tretbar). 1986; 13:111-3
Certification
Getting ready for certification. 1986; 13:34-7, 62-5, 114-7, 157-62, 196-204, 242-5
Chemotherapy; *see also* **Cancer**
Overcoming fear of cancer chemotherapy: interventions for the ET nurse (Post-White). 1986; 13:7-16
Clinic-on-wheels
Enterostomal therapy clinic-on-wheels (Landry). 1986; 13:31-3 (Case notes)
Colon; *see also* **Gastrointestinal tract**
Cancer of the colon: ruminations on the past and future (Finne). 1986; 13:196-204 (Certification)
Communication
Professional effectiveness through responsible communication (Ehlmann). 1986; 13:182-6
A question of perception (Kynes). 1986; 13:83-4 (Editorial)
Continence
Classifications of urinary incontinence (Irrgang). 1986; 13:62-5 (Certification)
Gastrointestinal surgical procedures (Bryant and Boarini). 1986; 13:34-7 (Certification)
Interventions of the ET nurse with the continent urinary Kock pouch patient (Greig). 1986; 13:226-31
Medication: its role in the cause and treatment of urinary incontinence (DeRidder and Vallerand). 1986; 13:187-9
Nursing management: the continent urostomy (Brogna and Lakaszawski). 1986; 13:139-47
Copolymer dressing
Comprehensive wound management with a starch-based copolymer dressing (Jeter et al). 1986; 13:217-25
Correspondence
Letters. 1986; 13:74-8, 123-4, 169-70, 210-2, 253-4
Cost containment
Effects of cost containment on research and development (Motta). 1986; 13:193-5
Criterion-based practice
Criterion-based practice for the ET nurse (Perreault). 1986; 13:99-104

January/February, pp. 1-38; March/April, pp. 39-78; May/June, pp. 79-124; July/August, pp. 125-170; September/October, pp. 171-212; November/December, pp. 214-264.

Dementia
An overview of dementia (Middleton). 1986; 13:54-61
Diagnostic tests
Gastrointestinal diagnostic tests (Stafford). 1986; 13:242-5 (Certification)
Diverticular disease
Diverticular disease (Bryant). 1986; 13:114-7 (Certification)
Draining feeding jejunostomy
Managing a draining and prolapsing feeding jejunostomy (Kirkland). 1986; 13:66-7 (Case notes)
Draining wound
The ET nurse's role in educating patients with open or draining wounds (Krasner). 1986; 13:17-9
Dressing
Comprehensive wound management with a starch-based copolymer dressing (Jeter et al). 1986; 13:217-25
A randomized clinical trial of two dressing methods for the treatment of low-grade pressure ulcers (Oleske et al). 1986; 13:90-8
Drug
Drug therapy and the ostomy patient (Schultz). 1986; 13:157-62 (Certification)
Medication: its role in the cause and treatment of urinary incontinence (DeRidder and Vallerand). 1986; 13:187-9

E

Editorial
Editorial. 1986; 13:4-6, 42-3, 83-4, 128-31, 173-4, 215-6
